## STUDENT ENROLMENT APPLICATION

Please read the following Enrolment Procedure and information prior to completing this form. The completed and signed form will be taken as all the information contained within as having been read and understood.

### Enrolment Procedure and Information:

This enrolment application makes up only part of the Enrolment process. For students enrolling into the annual Year 7 intake this form along with all of the required documentation **must be received by the stipulated date in March in the year when the student is in year 5**. This date is the cut off for the first round of applications.

(Families seeking a placement in any other year group may submit an application at any time with the accompanying documentation)

Enrolment demand for places at Chisholm Catholic College is extremely high. All applicants must realise that the College is unable to accommodate every application and waiting lists apply.

Once this application and all required documents are received, it enables the College to coordinate planned interviews. The acceptance of an application does not mean an offer of enrolment will occur or indeed even guarantee an interview. Parents are required to submit a separate enrolment application form for each child. No student has automatic right of entry - even Catholic siblings must submit the required application and paperwork by the March deadline.

Parents must complete and return this **Application Form** along with copies of the student's **Birth, Baptism, Reconciliation and First Communion Certificates**. A copy of the most recent **School Report, NAPLAN summary and Immunisation record** must also be enclosed. A non-refundable Application Fee of \$55.00 is required. The application may not proceed unless all of the required information is provided.

The offer of an enrolment place remains completely at the discretion of the Principal. The College will advise all applicants in writing, of the success or otherwise of their application.

### Enrolment Policy and Procedure:

As with all Catholic schools, enrolment selection criteria apply and assist in determining the final offer of places. The offer of an enrolment position however, remains completely at the discretion of the Principal.

The following criteria (in alignment with CECWA policy) are important determinants in the priority given to applications.

- Younger Catholic Siblings of current (or previous students) enrolled at the College
- Catholic Students with a Parish Priest Reference from nearest regional Catholic Primary Schools
- Catholic Students with a Parish Priest reference from Other Schools
- Other Catholic Students from other Catholic primary schools
- Other Catholic Students from other schools.
- Other Students from other Schools

**The acceptance of an application does not guarantee an enrolment interview. The College will attempt to communicate as early as it can of an interview time or whether an interview is unlikely. Accordingly, a scheduled interview does not necessarily mean an offer of enrolment will follow**

Applications for the first round of processing and offers for incoming Year 7 Students close by **the stipulated deadline date in March, for students in Year 5 (two years prior)**. Subsequent applications received after that date will be processed in due course and as spaces determine. This includes late sibling applications.

The College will advise all applicants of the outcome of the enrolment in writing with a formal Offer of Enrolment, as soon as possible. In some cases, particularly in the early interview phase in term one, this will be almost immediate. Later interviews will be advised in due course and as soon as practicable.
