

## Learn to Swim Program Enrolment Process

The Perth College Swim Academy is a community based after school Learn to Swim program that prioritises the safety of all children around water. The development of each child's confidence and ability is considered through a tailored 13 stage program, providing quality education in a fun, safe, and progressive environment. Which in turn offers the opportunity for participants to continue their swimming journey into competitive or fitness pathways at the completion of their final stage.

The Perth College Swim Academy provides two venues Chisholm College being one of those.

- Chisholm College located in Bedford provides a 25m heated indoor swimming pool with change room facilities and grandstand seating. We operate out of Chisholm from Term 1 through to Term 4.

The Perth College Swim Academy offers small class sizes with plenty of space for your child to excel in their ability to find comfort whilst in the water. We offer swimming lessons from 3 years.

## PCSA Learn to Swim Enrolment Form

### **Stage outline:**

The Perth College Swim Academy Program has been designed specifically to transition into a squad program. Our stages are by names and not by numbers and vary to other Learn to Swim Programs.

#### **Under 5's Program: 3-5 Years.**

The Perth College Swim Academy's 5 and under program offers 5 stages: Starfish, Jellyfish, Clownfish, Pufferfish and Angelfish. The program begins with basic water confidence for children to learn to float and blow bubbles. By Angelfish stage children are learning the foundations of the major swimming strokes: Freestyle, Backstroke, and breaststroke kick.

Our very first stage, Starfish has a max of 3 children per class while the rest of the Under 5's program have a max of 4 children per class.

Once your Child turns 6, if they have not reached Angelfish, we will move them into our Over 5's Program. We have designed the programs to interchange allowing us to move children into the most appropriate stage in the Over 5's Program. Your child will not start from the beginning of the Over 5's program.

#### **Over 5's Program: 6 Years +**

The Perth College Swim Academy's Over 5's Program offers 8 stages: Seahorse, Squids, Crabs, Turtles, Stingrays, Dolphins, Sharks and Mini squad. This program begins with building water confidence for all swimmers. As your child progresses through these stages, we emphasis heavily on building strong swimming fundamentals focusing on swimming technique. These stages have been designed to allow children to move swiftly into a squad program, therefore we are strict on our technique and expect a high level before moving children up a stage.

Our Seahorse stage to Turtles stage has a max of 4 children per class. Our Stingrays class is a Max of 5 children per class. Dolphins and Sharks have a max of 6 and Mini Squad has a max of 10 children per class.

Mini Squad is a very specific group and those joining our program need to achieve the skills in our Sharks stage before moving into Mini Squad. Mini Squad has advanced squad swimming features that introduce fundamental squad drills.

## PCSA Learn to Swim Enrolment Form

### **Enrolment information:**

How to enrol:

The Perth College Swim Academy use an online booking system called My Swim Results. You will need to enrol your child each term through this portal link. Once your child/ren has a profile with us and they have been allocated a stage you will receive all future correspondence regarding future enrolments.

#### **First step:**

If you are interested in joining our program and have not swum with us before, please email us at [learntoswim@pc.wa.edu.au](mailto:learntoswim@pc.wa.edu.au) with information on your child's current swimming ability, a certificate and information on where they have come from previously.

#### **Step two:**

One of our admin staff will be in contact with you shortly to discuss the best suitable stage for your children and we will allocate this to their profile. Once your child has a stage allocated to their profile, please follow the link below to enrol your child in a class time suitable to you.

Please note, if they do not have a stage on their profile, you will be unable to enrol.

#### **Step four:**

Log on through the portal link below. Once you have selected a time, you will secure your place by paying for your fees. **Once the fees have been paid, your child will be booked into that class time.** If your fees are not paid you may miss out of a spot.

You will receive an email from My Swim Results confirming your selected time/s.

**Link for enrolment:** <https://www.myswimresults.com.au/SchoolEnrolment.aspx?SchoolID=1>

If you have any issues after this, please contact Macie at [learntoswim@pc.wa.edu.au](mailto:learntoswim@pc.wa.edu.au)
