INSTRUMENTAL TUITION

This tuition fee, if applicable, is \$36 per half-hour individual lesson per week. The Music Department operates an Instrument Hire Scheme. The cost for the hire of an instrument is \$87.50 per semester.

Note: Accounts for Music Tuition and instrument hire must be paid in accordance with the options provided on the annual music fee statement.

ONSITE

For students who decide to take part in this course in Years 11 & 12 there is a fee. This is set at half of the cost per student paid by the College. The amount for 2023 is \$630.00.

CAMPS

The costs of the compulsory camps:

- Year 9 - Into Adulthood Program
- Year 11 - Adventure Camps
- Year 12 - Christian Living Camps

are covered in the annual composite fee, except where a student elects an alternative Year 11 camp which may require the hire of equipment and/or instructors, and therefore could attract an additional fee at the time of booking and registration.

INSURANCE

Accidents which require medical treatment occur from time to time. Under State Law not all medical costs can be covered by the College's insurances; for example, rebates paid by HBF, Medibank and Medicare. By law, any gap is not claimable under this insurance, also non-Medicare items are limited to certain activities such as school and sporting activities.

Our students are covered with Catholic Church Insurances for a standard 24 hours a day, 365 days of the year policy. Parents may wish to take out additional cover for a very small yearly premium which may offset some of the additional costs associated with injuries. Information on the CCI School Care Policy that the College uses is available at Student Reception and our college website.

As the College requires student participation in the Sports, Physical Education subjects and camps, adequate insurance cover has been included in the Colleges General Insurance Policies to cover major accidents and Public Liability, while students are involved in College organised activities.

PARENTS GROUP LEVY

The fee is a contribution for the year of \$90 per family and is shown on the account.

It is important that all parents contribute towards projects in the College, most particularly, those who cannot assist with time and labour.

ASSISTANCE WITH FEES

No Catholic student is excluded from this College because of the inability of his or her parents to pay the full annual fee. However, parents are expected to contribute to the best of their ability.

CONCESSIONS

The College Board is sympathetic towards parents with genuine needs who require financial assistance. Parents seeking a concession must submit an application with supporting evidence to the College Business Manager. Application forms are available on request from the Accounts Office. All concessions are assessed on an annual basis.

NOTICE OF WITHDRAWAL

Parents are required to give a **full term's** notice in writing if they intend to withdraw their son or daughter from the College during the course of the school year. Please note that in the event of failure to advise the College of withdrawal, a full term's fee will apply.

FURTHER INFORMATION

The payment of College fees forms part of the Offer and Acceptance contract signed by parents when a student is enrolled at Chisholm Catholic College. GST will be charged where applicable. Parents seeking further information should contact the College Business Manager.

COLLEGE BUILDING FUND PROJECT

Contributions in 2023 will help towards refurbishment of facilities. Parents are invited to contribute to the College Building Fund on a voluntary basis, to assist with College improvements.

All donations to the Fund are tax deductible.

Please complete and return with your payment the Donation Card included with your first fee account. All donations will be receipted separately from the annual College fees.
