

ADDING VALUE TO YOUR STUDENT'S SMARTRIDER FOR USE AT THE SCHOOL CANTEEN

The Smartrider is able to be used as a cashless card to make purchases at the school canteen. Please ensure that you follow these steps carefully to set this up for your son or daughter.

STEP 1: Log in to Quickcliq (www.quickcliq.com.au) or Sign Up if you are a new user.

REGISTER

LOGIN

STEP 2: Add money to your main account by clicking on the credit card icon at the top of the page. Then click on STUDENT and in the next screen ADD STUDENT and enter the information requested to create a student profile. You need to do this for each child that you have at Chisholm.

ADD STUDENT

STEP 3: Once your student's details are entered, you need to go into their profile by clicking on their name or the Chisholm Crest from the Home page.

STEP 4: Once inside the student profile, you will see this box on the lower right hand side. Enter the Smartrider number (SR______) then press the LOOK UP button, which will populate the Card/Barcode number field automatically. SAVE.

 Activate student card

Ensure you have transferred money to the card, this credit is ONLY for card transactions. For online orders ensure you have funds in the main account

Card Type: Smartrider

Card/ Barcode number:

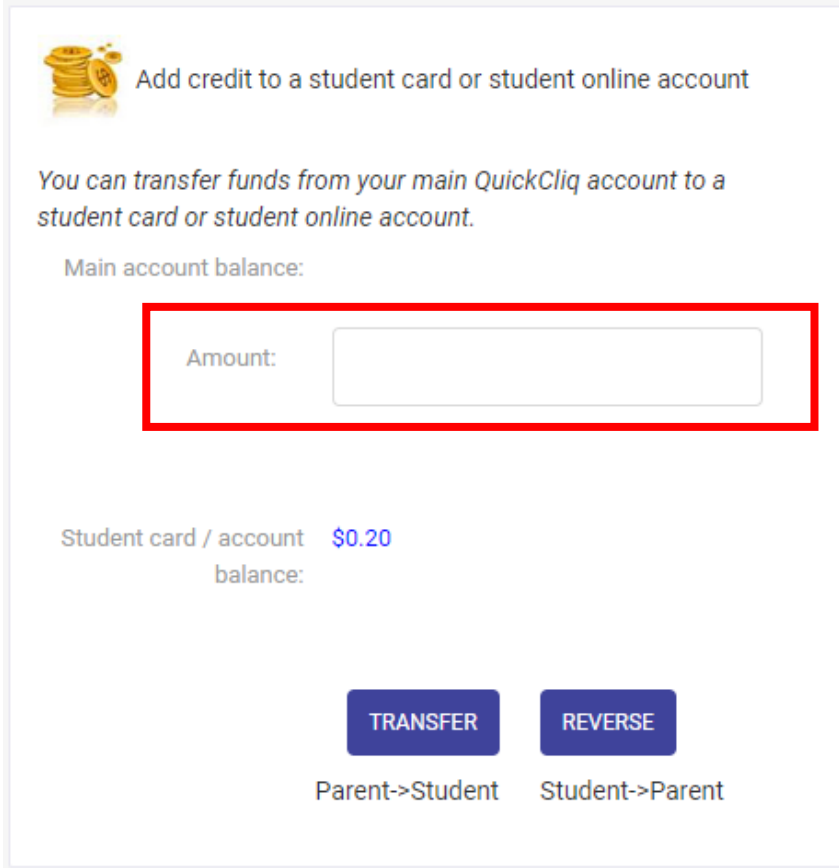

Press Edit to add or edit card numbers:

Wrong ESN (if applicable)

You can find the Smartrider number at the top right corner (as per the image shown below). Smartrider number is usually prefixed with SR.

STEP 5: Now go to the box at the upper right hand side of the page. Enter the amount you would like to add to the student card and click the TRANSFER button. You can see the student card balance in this area and transfer funds from the main account any time it needs topping up

The screenshot shows a web interface for adding credit to a student card. At the top left, there is an icon of gold coins and the text "Add credit to a student card or student online account". Below this, a message states: "You can transfer funds from your main QuickCliq account to a student card or student online account." Underneath, it says "Main account balance:". A red rectangular box highlights the "Amount:" label and an empty input field. Below the input field, the "Student card / account balance:" is shown as "\$0.20". At the bottom, there are two blue buttons: "TRANSFER" (labeled "Parent->Student" below it) and "REVERSE" (labeled "Student->Parent" below it).

IMPORTANT

- If your student loses their Smartrider and gets a replacement, you will need to update the SR number in their profile. You can also reverse funds from the card to the main account to ensure that if anybody finds the lost card in the meantime, they will not be able to use it.
- To ensure that your student can continue to use their Smartrider in the canteen each year, please make sure to update their year level at the beginning of each new school year.
